

## **COLLECTION OF ELECTRONIC RESIDENCE PERMITS READY FOR THE DELIVERY**

When his/her electronic residence permit is ready for the delivery, the applicant shall receive a text message to the phone number indicated during the renewal procedure. In case the applicant is unable to receive the message, he/she will have the possibility to check for the status "ready for delivery" on the website

<https://questure.poliziadistato.it/stranieri> If this status is achieved, the applicant shall indicate in the portal the file number written on the receipt or the insurance number of the postal kit he/she has sent.

Applicants can collect their residence permits on Tuesdays at the offices in Via Fausto Beretta nr. 19.

On the day of the delivery of their residence permit (which is the day of its actual entry into force), the applicants must show up together with all the eventual minors registered in their residence permit, and must bring along a valid passport, the expired permit and the insurance.
